### Business Secretary Alok Sharma chairs a series of economic recovery round-tables

These roundtables bring together businesses, business representative organisations, regulators and leading academics. Discussions focused on the measures necessary to support economic recovery and ensure we have the right opportunities in place for growth across the country over the next 18 months and beyond. The five themes are:

- The future of industry: How to accelerate business innovation and leverage private sector investment in research and development.
- Green recovery: How to capture economic growth opportunities from the shift to net zero carbon emissions.
- Backing new businesses: How to make the UK the best place in the world to start and scale a business.
- Increasing opportunity: How to level up economic performance across the UK, including through skills and apprenticeships.

### Reminder: Continued support for SMEs: Statutory Sick Pay Rebate Scheme

The UK Government's Statutory Sick Pay Rebate Scheme continues to provide financial support to small and medium-sized employers.
