
Business Bulletin - Brexit: New rules are here

Issue 79: 19 April 2021

The UK has left the EU, and the Brexit transition period has ended. There are new rules for businesses doing business with the EU from 1 January, and you need to take action now. All information on Brexit can be found at www.gov.uk/transition. This bulletin is issued by the Department for Business, Energy and Industrial Strategy and provides the latest information for businesses.

Apply for a grant to help small and medium-sized businesses new to importing or exporting

You can now apply for the [SME Brexit Support Fund](#). Smaller businesses can get up to £2,000 to pay for practical support, including training or professional advice to adjust to new customs, rules of origin and VAT rules when trading with the EU.

You can apply and find more information on eligibility [here](#).

From this week, this bulletin will become the [BEIS Bulletin](#), covering the whole breadth of BEIS policy and communications activity including transition business information. If you would like to opt out of the new look bulletin you can [unsubscribe](#) at any time.

New Guidance

Business travel: The Foreign, Commonwealth and Development Office will be hosting their next webinar for travel, insurance and business partners on Thursday 22 April 2021. Focusing on the [new rules for UK travellers to the EU following the end of the Transition Period](#), experts from a range of government department will update on the latest changes and actions travellers need to take to be prepared. The session will also feature new rules for business travellers, and there will be plenty of opportunity to ask any questions you may have. Space is limited, so click [here](#) to sign up.

Plant and animal importing and exporting: New short videos have been produced to help explain importing and exporting of animal and plant goods. For more information, click [here](#).

Great Britain Marketing Authorisations (MAs) for Centrally Authorised Products (CAPs): A list has been produced by the MHRA of the products licence MA numbers for the grandfathering of CAP MAs. For more information, click [here](#).

Updated Guidance

VAT: Trading and moving goods in and out of Northern Ireland: Information has been added to guidance with information about when to use an 'XI' prefix in UK VAT numbers in the 'paying VAT' section. For more information, click [here](#).

List of customs agents and fast parcel operators: The list of agents and operators who can help submit customs declarations has been updated. Click [here](#) for more information.

Transiting animals and animal products through Great Britain: Guidance has been updated to reflect the new timetable for the introduction of the next stage of UK import requirements for transit goods. For more information, click [here](#).

Export or move live poultry: Guidance has been updated with information about the 'Documents you need to return rejected livestock and poultry from 1 January 2021'. For more information, click [here](#).

Exporting or moving high-risk food and feed of non-animal origin to the EU or Northern Ireland: Guidance has been updated with details of some categories of high-risk food and feed of non-animal origin now included in the Movement Assistance Scheme. For more information, click [here](#).

Bass industry: Guidance has been updated with council regulations. For more information, click [here](#).
