The relevant UK measure is set out in the Secretary of State for International Trade's [Taxation Notice number 2020/11](#) which gives effect to the EU trade remedies measure specified in the [Notice of Determination](#).

The date of initiation of the review is **7 October 2021**.

8708 70 10 50
8708 70 50 15

Summary of the issues involved in the review

The matters we will consider during the review will include, but will not necessarily be limited to:

- whether the application of the anti-dumping amount is necessary or sufficient to offset dumping of the relevant goods in the UK market; and
- whether injury to the UK industry in the relevant goods would occur if the anti-dumping amount were no longer applied to those goods.

Period of investigation:

The period of investigation is 1 July 2020 to 30 June 2021. In order to assess injury, we will examine the period from 1 July 2017 to 30 June 2021.

Summary of the review process

The review will involve the following process:

- inviting parties to register their interest in the review;
- issuing questionnaires, where practicable, to:
 - overseas exporters or importers of the goods subject to review;
 - any trade or business association of overseas producers, overseas exporters or importers of the goods subject to review;
 - UK producers of like goods. Like goods are goods that are like the goods subject to review in all respects or, if there are no such goods, goods that have characteristics closely resembling the goods subject to review;
 - any trade or business association of UK producers of like goods; and
 - any other party (including interested parties - other than the government of the foreign country or territory - and contributors) that has registered an interest in the review.
- verification visits to further assess and examine information;
- analysing information gathered; and
- publication of a Statement of Essential Facts. On publication, we will set a period of time, which will be no longer than 30 days, during which parties will be able to comment on the Statement of Essential Facts and we will then make our recommendation to the Secretary of State for International Trade.

Interested parties may include:

- the Government of the People's Republic of China;
- any overseas exporter or importer of the goods subject to review;
- any trade or business association of overseas producers, overseas exporters or importers of the goods subject to review;
- any producer of the like goods in the United Kingdom; and
